

ARTICLE 14

INSPECTOR OF GAS PIPING AND GAS APPLIANCES

Powers

SECTION 1. An Inspector of Gas Piping and gas Appliances who is either a licensed gas fitter or licensed plumber, shall be appointed by the Town Administrator in accordance with the General Laws Ch. 143, Sect. 30, and shall have control of the supervision of gas piping and gas appliances and shall enforce all State Laws, By-Laws and regulations that relate thereto. (T.M. 10/20/03)

Permits

SECTION 2. Before any person, firm or corporation shall install any gas piping and gas appliances, said person, firm or corporation shall make application to the Inspector of Buildings Office for a permit for that purpose, pay a fee, as determined by the Board of Selectmen, and shall file with the Inspector of Gas such information or specifications as may be required. (T.M. 1/14/85)

Inspections

SECTION 3. When any work is complete or ready for inspection, the Inspector of Gas shall be notified. If, upon inspection, the work is found to comply with the requirements of this By-Lay, and all applicable state laws and regulations, approval shall be given by the Inspector of Gas Company to connect to the gas service lines the gas installations, but if the work is defective, all defects shall be remedied before such approval is issued.

Penalty

SECTION 4. Whoever violates any provision of this article of the By-Laws shall be liable to a penalty not exceeding Fifty Dollars (\$50.00) for each offense. Each day on which the violation continues after due notice thereof may be deemed a separate offense.
