# **FEASIBILITY STUDY TABLE OF CONTENTS**

## **SECTION ONE    Executive Summary**

## **SECTION TWO    Justification of Proposed Project**

- 2.1    Statement of Interest
- 2.2    Enrollment Projections
- 2.3    Educational Specification

## **SECTION THREE   Existing Conditions**

- 3.1    Grafton High School Existing Conditions
- 3.2    Grafton High School Evaluation Report

## **SECTION FOUR   Alternatives Development**

- 4.1    Potential Alternative to Construction or Renovation
- 4.2    No-Build or Status Quo Option
- 4.3    School Assignment Practices and Available Space
- 4.4    Under-Utilized or Vacant Spaces
- 4.5    Leasing, Renting, or Acquisition of Existing Buildings for School Use
- 4.6    Regionalizing or Tuition Agreements with Adjacent School Districts
- 4.7    Site Alternatives – Existing Conditions Description
- 4.8    Design Alternatives
- 4.9    Analysis of Alternatives
- 4.10   Proposed Site and Design Alternatives – Preliminary Cost Comparison
- 4.11   Environmental and Cost Impacts of Construction Phasing
- 4.12   Tier 1 Investigation (Deferred to SD)
- 4.13   Geotechnical and Soils Exploration (Deferred to SD)

**SECTION FIVE Preferred Alternative**

- 5.1 Preferred Option  
Option 2C – New Construction
- 5.2 Option 1B – Addition / Renovation
- 5.3 Budget Statement for Educational Objectives
- 5.4 Analysis of How the District Plans to Fund All Costs
- 5.5 Detailed Scope and Program of Proposed Project
- 5.6 Description of Major Building Construction Systems
- 5.7 Sustainable Design Goals
- 5.8 Construction Waste Recycling Plan
- 5.9 Permitting Requirements and Timelines
- 5.10 Detailed Proposed Cost Estimate
- 5.11 Projected Cash Flow Plan
- 5.12 Design and Construction Schedule
