## **SECTION TWO**

## **JUSTIFICATION OF PROPOSED PROJECT**

### 2.1 EDUCATIONAL SPECIFICATION

The educational vision was developed through extensive interviews with the Grafton School Administration and the Grafton High School administration, teachers and staff. The vision was translated into the Final Design Program. The building size is proposed at 186,351 square feet. The listing of program spaces is included in this Section within the Proposed Space Summary.

## 2.2 DEPARTMENT OF SPECIAL EDUCATION SUBMISSION

The submission to the Department of Special Education was developed by the Grafton School District in conjunction with Symmes Mani McKee Associates. These documents, dated variously, were submitted to the Owner's Project Manager on December 11, 2009 for submission to the D.E.S.E and M.S.B.A.
