FOR IMMEDIATE RELEASE

January 11, 2012

PAYT Bags – Green Town Trash Bags

Due to recent inquiries relative to the quality of the Towns PAYT bags, the Town Administrator held a meeting with the manufacturer, WasteZero. At this meeting both parties agreed that there was an unforeseen quality control problem, which is being immediately addressed by WasteZero and the following solution has been made. At no additional cost to the town, the manufacturer will be re-making one half of a year's worth of PAYT bags, approximately 30,000 bags for restocking purposes. The company will redistribute the new bags to our local retailers and any green bags on hand will be removed from the stores. Again, this will be done at no additional cost to the Town of Grafton.

If at any time, you have a bag that breaks or you feel is defective, please take the remaining bags in that sleeve back to the store where they were purchased and you will receive a full sleeve at no charge.
