There was a brief review of the July 7 meeting of the BOS.

We were informed by Dennis Flynn that the BOS would be reviewing future projects, after which this Committee would have a better idea of where the project stands with the BOS. This project will also be discussed with the Finance Committee and this committee on August 20.

John Bechard informed the Committee that he received a proposal from Weston & Sampson with steps for an information campaign; this will be discussed fully at the next meeting of this Committee.

There was some discussion of what this Committee might do for an informational forum for the public.

Meeting adjourned at 8:45 PM.

Next meeting on August 12, 2015
