RECEIVED

Dear Grafton Planning Board:

I am writing to inform the Board of an ongoing issue pursuant to the Special Permit granted to Leslie and Ron Anderson at 15 Blanchard Road for the Raising and Keeping of livestock under 5 Acres and application for modification of this Special Permit for an additional companion horse up for consideration at the December 14, 2015 Planning Board meeting.

I would like to make you aware that the ongoing manure smell is a nuisance, unpleasant and difficult to live with. I respectfully request that the Board address the issue.

Sincerely,

Amy Maguire
