Comments: I oppose the High-Density housing development proposed for Wheeler
Rd. Living on Meadow Lane we have the opportunity to enjoy the abundant
wildlife in the area. The proposed development would have a significant
detrimental impact to the wildlife that cuts across the fields and trails to
access water at Lake Ripple. My other concern is the traffic impact, it is
already very difficult to exit Wheeler Rd. And would require a traffic light
to be added at the intersection of Wheeler Rd and 122/140. I urge the
planning board to protect this beautiful part of Grafton and keep the
development within the towns planned zoning laws for this area.
