Comments: The Fieldstone Farms development is an egregiously bad plan. More houses on less land than the recent Toll Brothers development off of Brielle Rd. and Brigham Hill Rd. Absolutely no visible accommodation for green space? This development represents pure greed and profit motive at the expense of the natural beauty in the area of Wheeler Rd. and North Brigham Hill Rd. Developments such as this one are the types that permanently destroy the nature of small towns and villages. I urge all Grafton public officials to reject this terrible plan.
