Greg Carey

Clean Energy Collective, LLC

146 W. Boylston Dr.

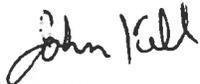

Worcester, MA 01606

Dear Greg:

Thank you for meeting with me and my mother, Karen Kell, to review the new driveway access plan, prepared by Field Engineering, that CEC is asking the Planning Board to approve for your solar project.

We both approve of the new plan and support your efforts to receive permits to build the new driveway in the proposed location on my mother's property.

Sincerely,

John Kell
