The Board of Sewer Commissioners announces the need to increase the current sewer use rate. The rate for the four (4) quarters of FY17 which starts July 1, 2016 will increase from \$6.50 per thousand gallons to \$7.75 per thousand gallons. The new rate will increase the average quarterly sewer use charge approximately \$25.00.

The rate will need to be increased annually to meet Grafton's current NPDES Permit discharge requirements. For more information on the NPDES Permit and Treatment Plant Upgrade Plans please visit <http://www.grafton-ma.gov/sewer-department/pages/plant-improvements-information>

If you have any questions or comments please contact the Wastewater Treatment Facility @ 508-839-8526 or the Sewer Department Office @508-839-5335 x1185.
