Planning Board for the Town of Grafton
30 Providence Road

Re: Brigati Village

Dear Mr. Robbins,

I was just informed that the Board has scheduled a remand hearing on the Brigati Village application for February 7, 2022. As it happens, my client Mr. Brossi will be out of the Commonwealth on that date and I will be out of the country. We are hereby requesting a continuance of the hearing for two weeks or at the Board's convenience so that Mr. Brossi and myself may be in attendance.

Thank you for your assistance.

Very truly yours,

David Brossi by his attorney

John F. Del Prete, Jr.
