Cecilia –

We never received an “official” grading report, but here is the email regarding Tom Bienkiewicz’s communication with our contractor, Bill Potochniak of Capaccio Engineering.

I hope this helps.

Thank you,

Gene

Gentlemen

I just spoke with Tom B. of the DEP. You are all set with the Grading Report so you don’t need to submit that. Your plant code is 2660 and it was Graded as a 2-1 facility. You can just reference that on the Staffing Plan that you submit. He didn’t have one of those for you.
