

Expansion Plans Questions & Comments

Necessary to meet the needs of our growing town.

- IF possible, could there be ^{small} rooms with windows looking out & doors to do private groups or tutoring?
yes! 2nd floor

Should be like

Shrewsbury's

library cool idea

- Northborough Library is very nice! Two-story, and peaceful. I second this! One of the best libraries in the area

- What is the current timeline?
~~Can this be done in 1-3 years?~~

- What green initiatives will the expansion include?

Teen room

\$ bay windows \$ a little nook \$ charging area where we can charge electronics while sitting in bean bags or lounge chairs. Also, there could be a summer program \$ a program room(s) for events and such, work room - where people can work on projects, homework tutoring, etc.

Book return box outside that you can drive up to and return books w/out getting out of your car

re parking and parking lot entrance located off or far away in the "rotary".

Expansion Plans & Questions

Will there be computers?

Will there be a quiet area?

Please have a little garden with tables.

— railing above main entrance roof is superfluous and impedes snow melt. Either provide a French door for access to shovel snow off or tall window beside the Palladian window

— Rear Elevation at 2nd Register (level) should be symmetrical:

missing window
