## FW: Letter re GLT Modification Petition

---

**Jeffrey Walsh** <JWalsh@gravesengineering.com>  
To: Fiona Coughlan <coughlanf@grafton-ma.gov>

Fri, Jan 6, 2023 at 10:59 AM

Good morning Fiona,

I am not aware of there being a deficiency in the plans. Furthermore, the state of construction at this project is not unlike similar projects.

Nevertheless, the project is still in the construction phase and as such there are portions of the site that are not permanently stabilized. The developer is obligated to install, monitor, maintain and supplement erosion and sediment control measures until the site is permanently stabilized.

Respectfully submitted,

Jeff
