

Fallon Health, UMass Memorial Medical Center, Worcester Division of Public Health, and the Central Massachusetts Regional Public Health Alliance invite you to a

COMMUNITY FORUM

TO IDENTIFY COMMUNITY HEALTH NEEDS

Fallon Health, UMass Memorial Medical Center, and the Central Massachusetts Regional Public Health Alliance have partnered to conduct the 2018 Greater Worcester Community Health Assessment (CHA). A CHA is conducted every three years to help us understand key problems that affect our health and also assesses the strengths of our community. The last CHA was completed in 2015 and it has played a vital role in addressing health needs in our region. Your voice and input in this process is important. For more information contact us at: cha@healthycentralma.com or 508-799-8531.

Wednesday, May 2nd • 5:00 – 7:30 p.m.

Shrewsbury Town Hall, Selectman's Room

Grafton Police Department, Training Room, 2nd Floor

Wednesday, May 23rd • 5:30 – 7:30 p.m.

Worcester Senior Center

We want to hear from you...

What does a healthy community look like?

- What are the biggest health concerns in your community?
- What do you consider the most pressing needs in your community?
- How does access to good jobs, healthy food, and safe & affordable housing impact your health?
- What are the important health resources in your community?
- Come share your ideas

All are welcome!
