

Grafton Common Historic District

There are a total of 16 buildings as well as 3 parcels without buildings in the Grafton Common Historic District.

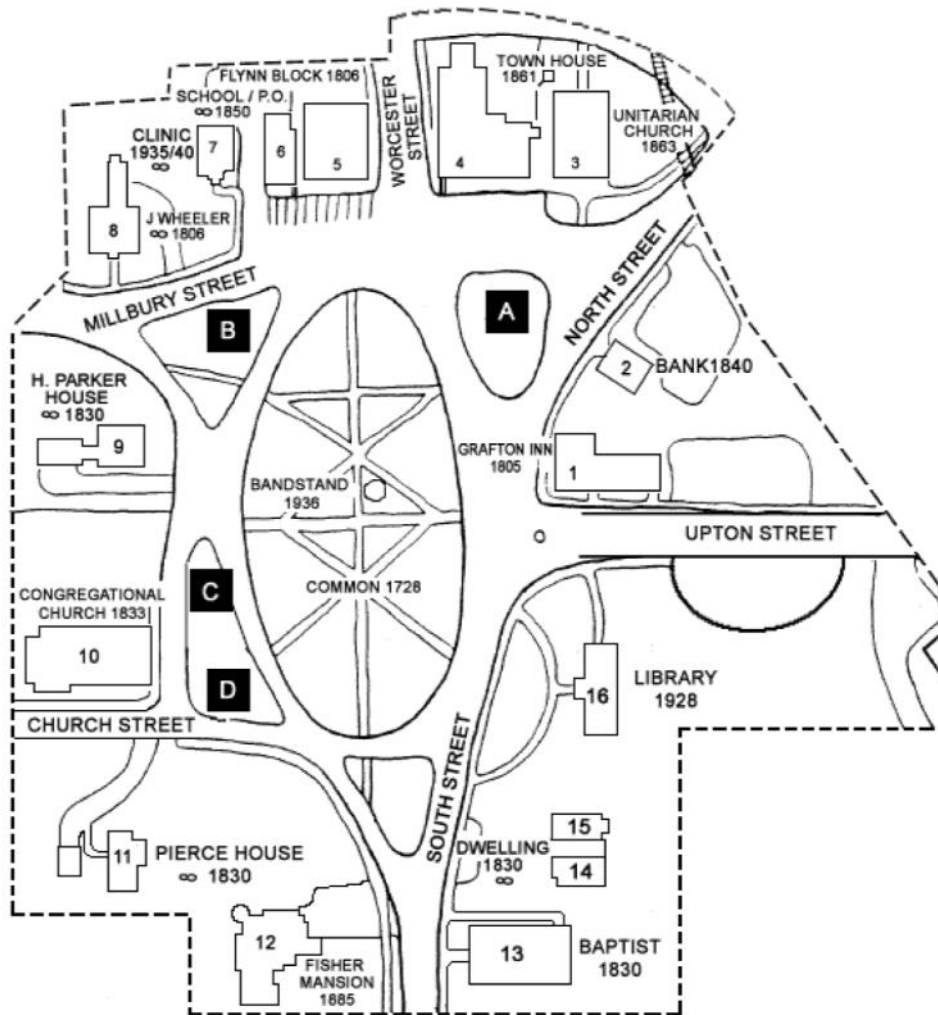

Each Commissioner is assigned several buildings and/or properties which they are responsible for representing.

Commissioners are responsible for serving as liaisons to the Commission, the property owners and the public for specific properties in the District.

Please feel free to contact individual Commissioners about specific properties. Other inquiries or general questions can be directed to:

John Morgan, Chairman,
Grafton Historic District Commission
(839-9461, jjemorgan@charter.net)

Contact information for all Commissioners can be found at the Town of Grafton Historic District Commission web page at:
